At Whohang, on the 4th April, of dysontory, AMES WALFORD HART, of the London Mission, Chungking, aged 14 years

Hongkong, April 25th, 1814, RECTER informs us to-day that a hige truly of the innemployed in the United States is marching on Washington to de now in session. The movement had commenced when the last American mai left,

Colony or from our authorised Agents at the mand assistance from Congress, which and the nowspapers contain frequent references to it, couched for the most part in contemptuous and satirical terms, and it was evidently never expected that the army, which then numbered a few hundreds, would than the native produce. Hence the domand reach its present dimensions. The originator was one Coxez, who is described as a manof some wealth, but odd in his wave and chimerical in his notions. It is said that he considers the proposed peregrination which he has planned to be in some obscure some \$15 and the other two \$10 each. Mr. Mollis the sign of the second a ming of Christ, of the Public Works Department, presented. So far the closest investigation had failed to Sample bottles and smaller quantities will be discover anything really vicious or revolutionary in his programme. There was no force the demands which it is to make 12.96 13.92 to be a harum scarum sort/of an affair. deserving of no more serious treatment "than that which ridicule affords." In the weeks which have clapsed since those words into improved importance and can no from Massillon, Ohio, the voluntary contributions of the districts through which it passed . "Perhaps," says the Bulletin, " some of the leaders are hug-'ging the delusion that some interest, poli-"tical or social, will consider it to be wise

"to buy them off. But we have no idea of Bolton, the whole having been ordered by "that the movement will ever reach the ob-"jective point. It may be dispersed by "some of the powerful States which have to tion of Grinnell's automatic sprinklers, which "be traversed. It has only to grow in numbers to produce the corrective! The Fede-"ral Government-will never permit Wash-"ington to be invaded by an immense Bank of China, Japan, and the Straits against "throng, whose errand, thinky disguised, is Mr. E. Lepissier, in respect of unpaid calls on "to intimidate Congress." What the Government will do remains to be seen, but it is not easy to deal with a mob. and if no serious disturbance is attempted, up; and secondly, the Court was not satisfied public opinion in the States. Cast certain proportion of its paid-up capital, it can-BROWNE, Marshul, of the Commonweal, dot, according to French law, make a call with: addressing the citizens at one of the places on the line of march, made a speech described as being very sharp and abounding in hot utterances. The most significant remark a nephew of the Min-Cheh Viceroy, to be Com. to him on the 8th of February and then the steadier play on the part of Mr. Craickshank was made was. "The powers that control and "enslave us are greatly scared. They have We only guarantee our Wines and Spirits to sent the representatives of a capitalistic be genuines when bought direct from us in the opress to dog our footsteps and wreck us if Colony or from our auth-rised Agents at the "they can. I can go nowhere but that "I am followed by forty argus-eyed demons of hell, cager to catch any Per doz. Case "instance that will condemn us." " Argus.

eyed demon of hell" is a new description in consequence of that official's death. for the hardworking reporter and will no doubt be duly appreciated. However, if the army confines its violence to the use of strong language and does not felt himse f bound, amidst the general bustle and restrictions. That agreement, as far as the to the score on or ber side. The Corrison thas by any more serious disorder afford an exertions of the present period of preparation, to story of the transactions goes, was not carried won by 5 goa's to 3 excuse for its dispersal by the forces of the Government it may reach Washington and by its presence there compel Congress to consider the position of the industrial classes, It is somewhat significant that this movement the Thronout a the subject. An edict dated dopes, a couple of ignorant men, and I will get should take place in the "land of the free," where, as the son tells us, " a man is a man of health, and at the bidding of his Imperial if he's willing to toil." But that line was written many years ago and the problem of the unemployed has since become as pressing whole of the fifteen days' fêles. in America as in Europe, and may be traced in great part to the same cause, namely, the der W. C. H. Hastings vesterday at the Mastock at the price. D and E are too well known

which has checked industrial development.

REGULATIONS have been promulgated by the Japanese Government for the control of the emigration of labourers from that country. Hitherto emigration has been attended with serious abuses, and these the Next morning, however, he reappeared with regulations are framed to put an end to Every emigrant will henceforth have to be Per doz Case provided with a passport, and power is and sublinest impudence of all !-took him to reserved to withhold such passport when the No. 7 Police Station and charged him with country to which the emigrant wishes to proceed is one which has not concluded Commander Hastings imposed a fine of \$15 or a treaty with Japan or whose laws would six weeks for the first offence and \$50 or two be violated by his entry. Hitherto the ment to be consecutive. We only guarantee our Wines and Spirits to Inpaness have not been expressly or cluded from the United States or Australia but if they went to those countries, i large pumbers an aritation against them similar to that which resulted in the exon foot. This the Japanese Government evidently desirone to avoid, and, as our contemporary the Japan Mail expresses i it is in accordance at once with Japan, "dignity and with the smoothness of her "international relations that she shoul create for herself the power of restraining ther emigrants at this end instead of risk

> omnany's steamer Diomed being transferred to the Japanese flag, thus following the career of the same Company's steamers Nestor and Orestes. It was stated in a paragraph yesterday morning that the P. & O., Messagerles Maritimes, and North German Lloyds had fixed their homeward passage rates in sterling. This was a mistake, the homeword passage rates being adver-

tiend in dollare. Desnatches received by the native officials at Shanghai announce a rising of the Rolan Hui society mon at Wukangehou, belonging to the prefecture of Pacching, Hanan. I'we battalions of troops have nire dy been sent by the Governor of the province. Wu Tucheng, to suppress the insurrection.

The P. & O. steamer Greation, which passed through Nagasaki a few days ago, on route to habe, is reported, says the Rising Sun, to have been sold to the purchaser of the last of the Company's steams a sold, viz, the Teheran. The Gualior was built in 1873, is 1,602 tons register, and 500 nominal horse-power.

An anomaly in the retail opium trade Shangkai at the present time, says the N. Daily News of the 19th inst, is the fact that the Indian drag just now is one-eighteenth cheaper usual for the past ten days or so. Three wanton wasters of water residing in

adjoining houses on the Prnya were yesterday

charged at the Magistracy with allowing their taps to be open, whereby the water was being lost. Commander Hastings flued one defendant The new Japanese gunboat Hashidate, built at Yokosuka, and which failed in her trial Trip lately, is understood to have six boilers, all ; which were dangerously strained on that occasion. A native paper says they are of no further parations to enable the army of the use; they must be replaced and the expense for renewing them will amount to about 100,000 yen.

. The Court in Germany before which Carstens on the general Government. It seemed, Beatty in Yokohama on the 7th July, 1892, has has been brought, charged with the mariler of according to the San Francisco Bulletin, decided to return all the documents to Japan for further enquiry. The prisoner has put forward the slaternent that on the day of the killing (retained by one of the parties defrauded) he had been intentionally drugged by someone

and was out of his mind. The other day in Hankow, during a game of . AN INTERESTING CASE. TO THE EDITOR OF THE ." DAILY PRESS." Want is the soorm of every wealthy fool. And wit in rage is turned to ridicule - Juvenal Sin. Fow people, not even our zealous in sionaries, who dwell in the central quarter Hongkong, especially the wealthier portions of the community, know or lines any adequate idea low some of the poorer people inhabiting the outlying districts east and west of them live or is very often a puzzle to themselves or what which, notike most men, they mind themselves, his reputation was clean. Whou I took him pretend to know all about their funny little ways ragged fellow that he had seen an hour, or two and characteristic, and even write about thom. whilst John's wee ferret eyes unceasingly blink, for he knows we know nothing at all. I do not say that Hongkong is the only place where this of the Sailor's flows said the same, and an apite uncharitable ignorance exists, for even Shanghai. with all its charitable institutions, its well ondewed missions, and its namecons philan berth for him aboard the imerican ship Martha thropists, is exactly the same, if not more ignorant in this respect. As an instance of done all I can afford to do for the unfortunate this I will before proceeding with this article reopen the eyes of the public by reminding them of a sad event that took place in Shanghai some five or six years ago. There was one employment I shall feel obliged if they will general reporter on the staff of the North China first make inquiries at the Central Station to Daily Novo, named Thomas Marshall, who was verify my statements, and then send a letter to f an eminently respectable old English family his father being. I believe, a colonel in the army. Now Marshall who was a welleduca ed and gentle-

manly fellow and a brilliant writer when he chose to wield the quill, used to suffer from perio lical rregular in his habits and failed to adequately perform his duties. So he was discharged and most people knew or made it their business police, who will soon become a ourse justead of to find out why. Give a dor a bas name and a blessing to Hongkong and imprisoned as a spreem eldien itself est councied transport solls live di scorlo lla croca imitation it will stick to him; above all places ib will stick | vagrant because he best months in the means best in Shaughai. Consequently the unfortunete ex-reporter of the Deith Nows was unable to obtain any further employment, he had not sufficient money to law the Settlement, and he was too proud to becor even to write home. myself used to frequently see him of a morning them? They must either hide, away in any going from one hong to another along the Bund filthy den or venture out and be captured and on the afert for any vacancy that might but imprisoned amongst criminals, and treated like never would occur for him. After a time I quite lost sight of him, and concluding that he they have no money, no hom, and no friends. must have left the Settlement. I thought no more If a min commits the error of running about him, and mouth's passed away and at away from his ship, which is perhaps a ficatlongth I left Shangeni for the North of China. ing hell, is he to be punished ever after, Some three years afterwards a paragraph in a lad to be deprived of a air returning to his Shanghai papar caught my eve. It was a brief native land and of living respectably among at account of the death of poor Marshall; it was a his fellow men follows these questions—can glaring proof of the injustice that had been any and will anviot our wise men and elders done him. For his untimely death I still hold snawer them, or give in a just record way such where, but failed to obtain employment of any satisfaction which can be done through the press also run into debt, as many would have pardonably done, he quietly moved into a small roommiserable little halo in a Chinose house in China town. He never complained to any body, and when he was seen he was always dressed respectably and even orrefully, and had whom he knew those who had claimed his friendship when he was in better-cironmetances. He grew perceptibly thinner though; thin from want of proper food. The beautiful part of the story comes in here. Poor Marshall was always a kind and gentle and a very sensitive fellow and was always very kind and considerate to everybody even down to his Chinese boy, who strange to say, became really attached and devoted to him, and when he left the newspaper he followed bim, and although he knew his muster had not money to pay him wages, ho waited on him and lived with him, and they went down hill together. The boy at last also endeavoured to obtain work as both his master and he had not food to cut. He was equally aufor tunate, however, b t at last managed to hire ricksha and turned ricksha coolis. Marshall grew weaker and weaker, and at last was not able to leave the hovel they lived in ko his muinten. auce fell entitely upon the faithful "boy," whose

small earnings were sometimes hardly sufficient to gave them couges, but yet he managed some. of Management of Union Church is the year bow to pay for the room and give his master Chinese food to cat But the poor fellow grew weaker and wesker and at lust was not able to Your Committee as pleasure in presenting its eat rice; and one day he sent a polite letter to foreigner he knew in the Settlement asking him to kindly send him a plate of sonp as he was very ill and not able to get out. The toraigner did no respond or reply to this argent and final call for assistance, and a few days afterwards, in one the richest cities in the East and amongst one of the rich st and proudest sommunities in the world, and on the very doorstep as it were of princely merchants, poor Thomas Marshall died otal of the money received for Church purposes dur. Lot starvation. The foreigners rewarded the ricksha coolis with 200 dollars and set him up in business and the vertiet returned at the inquest was that deceased had died of "general debility (I think it was) "accelerated through want proper nourishment. Having unerated this instance I will now pick up the thread where I left it leaving these who doubt the varacity of my assertions to turn over the files of old Shanghai papars of 88 or 89 tainments, and the annual outing held at Quarry Most residents in Hougkong have heard about the proverbial beachcomber and know that such beings do setably exist here. How they live, what they are like, whither they come, and how they become what they are, is not of much concern or interest. Many people imag no that have been diducted depreciations also on paper derable progress has been made towards obtaining a every disorderly or badly dressed and dissipated suitable instrument. > THE YANGTSEE INSURANCE ASSOCIATION, LIMITED On the 18th last, the fourth ordinary general

meeting of this Association was hold at the Head Office Shanghai Mc James M. Young (Chair-

Mr. W. S. JACKSON having read the notice convenier the meeting. The CHAIRMAN said-The minutes of the last annual ordinary general meeting, held on the 26th of April last, are on the table, but having been printed and circulated in the usual manner will, with permission, by takon as read. The report and accounts to 30th December having been in your bands for some time may also. presume, be taken as read, The accounts have been made up in the same form as before and will. I trust be considered satisfactory, inasmuch as they show an increase of profits as well as of business, whilst the naexpired risks at the end of 1893, as well as the percentage of expenses to premis earned, are smaller, or in other words, the preidia sarned have considerably increased, whereas the percentage of claims paid and expenses has decreased. Net premia, less reinsurances, etc., amount to \$323,011.95, or \$64,066.63 more than in 1892. The hand office and principal East. ern agencies have been responsible for this inoressed business. The increased business has with few exceptions proved profitable, and we have had more support from shareholders than for many years past. I am also very glad to say that our London agency not only continues indispensable through its use. folloss as an agency, but is now paying its way. Pending claims against this account have been very liberally estimated to make them up to \$75,000 Interest secount shows a falling-off of \$6,792 caused by the return of part of the capital made in August last. Sale of Indian securities. - Advantage was taken of a favourable opportunity to reside the Association's holding of India rupes paper in London, when the price was forced up owing to the Indian mints being plosed to the free coinage of silver. At the time this was done, part of the money was required for the purpose of returning \$40 per chare on capital. and accordingly half the amount so realised was brought out to Chica and resulted in an actual profit of \$23,586 17, which was placed to the credit of working account 1893. The 1 mainder was rainvested in English railway stocks, as par balance about, which are not likely to fluoto to so much as the rapes paper did, and shows a

count" for the purpose of regulating apparent age of expenses to premia is 20.26 per cent. for the return of capital cost a great deal
